

# Mira Mesa HIGH SCHOOL Marauder Mask

A publication of news and upcoming events.

Volume 8, Issue 31

May 14, 2021

Principal-Jeff Sabins

Editor/Publisher-Amanda Courtney

## Principal's Message:

MMHS will serve as a Vaccine Clinic, through Sharp Healthcare, on Tuesday, May 18th. There is more information available at the end of this issue of the MASK - anyone under 18 must have parent consent, and the consent form is attached.

As part of SDUSD Local Control Accountability Plan and mandates as described in the California School Dashboard, our District is required to measure Student Engagement, Parent Engagement & Overall School Climate.

The CAL-SCHLS survey system is the most commonly used and reliable school survey, and is used by our School District to collect data for Mira Mesa High School to help in improving school climate.

Please use the link below to complete the parent survey for MMHS. All surveys are anonymous.

## School Nurse Day

This week, schools took a day to celebrate all the amazing School Nurses that support students on a daily basis.

At Mira Mesa, we are very fortunate to have Nurse Chic Carter supporting our students, faculty and staff.

Nurse Carter joined us in January and we are so glad to have her here. She is a true hero—as are all nurses.

Thank you, Nurse Carter!

## Classified School Employee Week

Next week is Classified School Employee Week.

We are so grateful for all our amazing classified employees. From working in the office, to keeping our campus safe and clean, to working with students in classrooms, and so much more—these employees continually go above and beyond for our students and school community.

Thank you, classified staff!

## **AP EXAMS**

AP testing has been going well. We are coming up on the exams that students will take digitally. Some students have done the digital testing app download and have reached out to Mrs. Blanchard if they had issues. The concern is that not even half of our digital test takers have downloaded the app or launched it. Some students who did this early learned their computer did not support the app. We have been able to resolve this issue, but if students don't do the download early enough, we may not have time to correct this issue, so please encourage your child to do this as soon as possible if they are taking a digital AP exam. You can find information about downloading the application at: <https://sites.google.com/sandi.net/mmhscounseling/testing-and-test-prep>

## **ELEMENTARY INSTITUTE OF SCIENCE**

The Elementary Institute of Science is looking for Teen Lab Assistant volunteers to help 7-14 year olds who are attending a science summer camp from June 21-August 27 with their STEM lessons and activities. Volunteers must be entering 11<sup>th</sup> or 12<sup>th</sup> grade. Volunteers will need to commit to volunteering for a minimum of two weeks of summer camp, and the two weeks do not need to be consecutive. Interested students can apply at: <https://drive.google.com/file/d/1x8cK-IV-WFPKTSKCZYdFVSQGVd7tBn6/view?usp=sharing>

## **MIRAMAR COLLEGE COURSES 21-22**

We still have a number of students who are taking a Miramar class next school year and have not yet completed the application or Docusign. Staff from Miramar and Mr. Hawkins have sent emails to students through their district email if they have not taken care of the application and Docusign. This needs to be done ASAP. If you have questions about the Docusign, email Mr. Hawkins at [dhawkins@sandi.net](mailto:dhawkins@sandi.net).

## **STUDENT EMAIL ADDRESSES**

All students should be checking their stu.sandi.net emails on a frequent basis. Emails sent to student are more than assignments from Google Classroom. Please remind your student to check their school and personal emails so they don't miss important messages from us.

## **SUMMER SCHOOL APPLICATIONS**

We are still accepting applications for summer school which will occur from June 21<sup>st</sup> to July 27<sup>th</sup>. There are options to make up classes in person at MMHS online through the school iHigh. Visit <https://sites.google.com/sandi.net/mmhscounseling/2021-summer-school> for information and application links.
